INICJATYWA

A diagram of a hexagonal lattice. It features a central hexagon outlined with dashed lines. This central hexagon is surrounded by a larger hexagon formed by solid lines. The space between the two hexagons is divided into six trapezoidal regions by solid lines. The entire structure is set against a background of a larger hexagonal lattice, with some lines being solid and others dashed.

1.  Cut out carefully with a sharp knife or scissors, using the | marks as guides
2.  Fold along the dotted lines, making sure the  hatched areas are hidden or face down
3.  Optionally, fix it with glue
