INITIATIVE

A vertical rectangular template for a map figure. It features a light gray and white checkered pattern. At the top, there is a small square icon of a pencil. The template is outlined with dashed lines, indicating where to cut. There are also solid lines at the top and bottom edges.

A diagram of a hexagonal lattice. It features a central hexagon formed by dashed lines. This central hexagon is surrounded by a larger hexagon formed by solid lines. The space between the two hexagons is divided into six trapezoidal regions by solid lines. The entire structure is set against a background of a larger hexagonal lattice of solid lines.

1.  Cut out carefully with a sharp knife or scissors, using the marks as guides
2.  Fold along the dotted lines, making sure the hatched areas are hidden or face down
3.  Optionally, fix it with glue
