FIGURA NO MAPA

A diagram of a hexagonal lattice. It shows a central hexagon formed by dashed lines, with two smaller hexagons attached to its top and bottom edges. Solid lines form a larger hexagon around the central one, with additional lines extending outwards to represent the infinite lattice.

-  Recorde com cuidado com estilete ou tesoura, use as marcações como guia
-  Fold along the dotted lines, making sure the  hatched areas are hidden or face down
-  Opcionalmente, concerte com cola
