Social name

Knowledge checks of one of your identities do not reveal anything about the other, unless you have been unmasked.

Switching identity takes one minute, and must be done out of sight.

Your two alignments must be within 1 step of each other.

Both alignments are real for the purpose of spells, abilities etc.

Attempts to scry on you only work if your current identity is one known to the caster.

If suspected while in either identity, gain +20 to disguise checks to appear as your current identity.
