MAP FIGURE

A net for a 3D map figure. It consists of a central vertical rectangle with four flaps. The top flap is shaded with a grey and white checkered pattern and contains a small icon of a pencil writing on a notepad. The bottom flap is also shaded with the same checkered pattern and contains a small icon of a pair of scissors. The net is surrounded by dashed lines indicating where to cut and fold.

**INITIATIVE
MARKER**

Name _____

The template features a light gray and white checkered border. The central area is white with a dashed line for writing. A small gray icon of a pencil is located at the top center of the writing area. A small gray icon of a pair of scissors is located at the bottom right corner of the template.

A diagram showing a hexagonal lattice structure. It consists of two adjacent hexagons outlined with dashed lines. At each of the six vertices of these hexagons, there is a solid black line segment extending outwards. At each of the twelve vertices of the two hexagons, there is a small black arrow pointing inwards towards the vertex.

1.  Cut out carefully with a sharp knife or scissors, using the | marks as guides
2.  Fold along the dotted lines, making sure the  hatched areas are hidden or face down
3.  Optionally, fix it with glue
