Focus invested in yourself can be used to activate any implement's resonant power, but costs twice as much.

**Nível 4**

**SHIFT FOCUS**

With 1 minute of quiet contemplation, shift a number of points from one implement to another at the cost of 1pt.

Spend 1 minute handling an item to learn its history.

- If the item is magical, learn its properties and command word as if successful at *detect magic* and *Spellcraft*.

**Level** This may not reveal a cursed item's properties.

Nível 2 This may not reveal a cursed item's properties.

- If the item is historical, learn one piece of information about its past.
- If the item was used recently (1 day per Occultist Level), learn one piece of information about its last user.

**Nível 5** As a standard action, read the auras of creatures. Allows you to detect alignments for 1 round.

## Escola

**Nível 20** When using focus powers of this school, DCs to resist the effect are 4 higher, as is occultist level for determining duration and effect.

Gain 4 extra points of mental focus that must be allocated to an implement in the given school.

The hardness of implements in the given school increase by 20 for as long as they have at least one invested point.

## Mental Focus

**Nível 8** Spend 1 minute drawing a circle (using chalk, sand, blood etc) and 1pt of mental focus from anywhere. It becomes a permanent magic circle against any alignment not your own.

Only a living creature can break the circle.

Spend an additional 1pt of mental focus from anywhere to create an invisible binding circle. A creature of the given alignment who steps into the circle will be trapped.
