

The diagram illustrates the calculation of Soulborn Level. It features a large box labeled "SOULBORN" at the top. Below it, the formula is shown: "Stufenbonus + Soulborn Level ÷ 2 = Meldshaper Level". The "Stufenbonus" is represented by a box containing a plus sign (+). The "Soulborn Level" is represented by a box containing a division sign (÷) and the number 2. The "Meldshaper Level" is represented by a box containing an equals sign (=).

Soulborn Level  $\div 2 =$  Meldshaper Level
