INITIATIVE

A diagram of a hexagonal lattice. It features a central hexagon formed by dashed lines. This central hexagon is surrounded by a larger hexagon formed by solid lines. The space between the two hexagons is divided into six trapezoidal regions by solid lines. The outermost boundary is a larger hexagon formed by solid lines.

1.  Cut out carefully with a sharp knife or scissors, using the marks as guides
2.  Fold along the dotted lines, making sure the hatched areas are hidden or face down
3.  Optionally, fix it with glue
