**MAP FIGURE**

The figure is a vertical template for a map. It consists of a central rectangular area with dashed lines indicating fold lines. At the top of this central area is a smaller rectangle with a checkered pattern and a pencil icon. At the bottom of the central area is another smaller rectangle with a checkered pattern and a scissors icon. The entire template is flanked by vertical lines on the left and right sides.

A diagram of a hexagonal lattice structure. It features a central hexagon formed by dashed lines. This central hexagon is surrounded by a larger hexagon formed by solid lines. The space between the two hexagons is filled with a pattern of solid lines that form a honeycomb-like structure. The overall shape is a large hexagon with internal dashed and solid lines creating a complex geometric pattern.

1.  Cortar con cuidado con cuchilla o tijeras, siguiendo las guías marcadas
2.  Dobra en las líneas de puntos, asegurandote que las áreas grises queden ocultas
3.  Opcionalmente, arreglalo con pegamento
