**Iniciativa**

A diagram of a hexagonal lattice structure. It features a central hexagon formed by dashed lines. This central hexagon is surrounded by a larger hexagon formed by solid lines. The space between the two hexagons is filled with a pattern of solid lines that form a honeycomb-like structure. The overall shape is a large hexagon with internal dashed and solid lines creating a complex lattice pattern.

1.  Cortar con cuidado con cuchilla o tijeras, siguiendo las guías marcadas
2.  Fold along the dotted lines, making sure the  hatched areas are hidden or face down
3.  Opcionalmente, arreglelo con pegamento
