MEASURE THE MARK

When attempting to pick a pocket, the mark must roll their Perception check before your Sleight of Hand, and you can decide whether to make the attempt.

If you decide not to, roll a Bluff check to prevent them noticing.

STAB AND GRAB

As a full round action make one attack; if it successfully deals sneak attack damage (or is in a surprise round), you may also use Sleight of Hand to pick the foe's pocket. The foe takes -5 to Perception to notice this.
