**MAP FIGURE**

The figure is a vertical template for a map. It consists of a top section with a grey and white checkered pattern, a central dashed rectangle, and a bottom section with a grey and white checkered pattern. A scissors icon is located on the right side of the bottom checkered section. The entire figure is surrounded by a dashed border with small tabs at the corners and midpoints.

**INITIATIVE MARKER**

Nombre

A diagram of a hexagonal lattice structure. It features a central hexagon formed by dashed lines. This central hexagon is surrounded by a larger hexagon formed by solid lines. The solid lines are positioned such that they form a honeycomb-like pattern around the central dashed hexagon. The overall shape is a larger hexagon with internal dashed lines forming a smaller hexagon and solid lines forming a honeycomb lattice.

1.  Cortar con cuidado con cuchilla o tijeras, siguiendo las guías marcadas
2.  Dobra en las líneas de puntos, asegurandote que las áreas grises queden ocultas
3.  Opcionalmente, arreglalo con pegamento
