MAP FIGURE

The figure shows a vertical map of the United States, oriented vertically. The map is outlined with a dashed line. The top and bottom sections of the map are filled with a light gray and white checkered pattern. In the top checkered section, there is a small black square with a white dot inside, resembling a pencil tip. In the bottom checkered section, there is a small black square with a white dot inside, resembling a pencil tip. The middle section of the map is white with a dashed outline. The map is surrounded by a dashed border with small squares at the corners, indicating where to cut.

**INITIATIVE
MARKER**

Nome _____

A diagram of a hexagonal lattice. It features a central hexagon formed by dashed lines. This central hexagon is surrounded by a larger hexagon formed by solid lines. The space between the two hexagons is divided into six trapezoidal regions by solid lines. The entire structure is set against a background of a larger hexagonal lattice of solid lines.

1.  Cut out carefully with a sharp knife or scissors, using the | marks as guides
2.  Fold along the dotted lines, making sure the  hatched areas are hidden or face down
3.  Optionally, fix it with glue
