MAP FIGURE

The net for the 3D map figure is shown. It consists of a central rectangular prism with a checkered pattern on its front and back faces. The top face is a square with a checkered pattern and a pencil icon. The bottom face is a square with a checkered pattern and a scissors icon. Dashed lines indicate fold lines, and solid lines indicate cut lines.

**INITIATIVE
MARKER**

Nombre _____

A diagram of a hexagonal lattice. It features a central hexagon formed by dashed lines. This central hexagon is surrounded by a larger hexagon formed by solid lines. The space between the two hexagons is divided into six trapezoidal regions by solid lines. The entire structure is set against a background of a larger hexagonal lattice of solid lines.

1.  Cortar con cuidado con cuchilla o tijeras, siguiendo las guías marcadas
2.  Dobra en las líneas de puntos, asegurandote que las áreas grises queden ocultas
3.  Opcionalmente, arreglalo con pegamento
