SHARED SEANCE

Niveau 2 Share your spirit's seance boon with all allies who joined
the seance.

LOCATION CHANNEL

At the site of a person's death, or a place precious to them
in life, call their spirit into your body.

Niveau 5 You cannot talk while possessed, so only your allies may
ask questions of the deceased.

You cannot summon a spirit which is currently undead.
You cannot summon the same spirit within 24 hours.

Niveau CONNECTION CHANNEL

7 Perform location channel anywhere as long as you or one
of your allies has a personal connection to the deceased.

ASK THE SPIRITS

Send your mind to the astral plane to ask the spirits advice,
as if using *contact other plane*.

Niveau 13 Automatically succeed at the Intelligence check to
avoid Intelligence and Charisma damage.

Niveau ASTRAL JOURNEY

14 Enter a coma and project yourself to the astral plane as if
using *astral projection*.

SPACIOUS SOUL

line of sight and effect, accept their soul into yours.

Each round on your turn, decide between you which soul will
control your body. If you cannot agree, roll opposed
Charisma checks to establish dominance for the next hour.

Niveau 18 When the ally acts with your body, they use their own base
attack bonus, spells, caster level and other abilities, but your
physical scores.

This suppresses your spirit's bonus, seance boon, spirit
powers and spirit surge ability.

ASTRAL BEACON

Niveau 18 As a free action channel any of the spirits for 1 round,
gaining access to their intermediate, greater and
supreme spirit powers.

TABOO

Niveau 2 Optionally accept a taboo relevant to the channelled spirit.

While you follow this taboo, you may use spirit surge twice a day without incurring influence.

Breaking the taboo increases the spirit's influence and imposes a penalty of:
-2 to attacks, damage, ability and skill checks, and saving throws for 1 hour.

+1

5

If influence reaches 5 due to breaking a taboo, the spirit leaves your body, taking all bonuses with it.
You cannot channel the same type of spirit for 1 week, and next time you do channel that type of spirit
it will start with 2 influence rather than 1.

TRANCE OF THREE

Niveau 15 As a swift action channel a second legendary spirit, gaining its intermediate spirit power.
