MAP FIGURE

The template is a vertical rectangle. The top section is a smaller rectangle with a grey and white checkered pattern, containing a pencil icon. The bottom section is a larger rectangle with a grey and white checkered pattern, containing a scissors icon. The central area is white. Dashed lines indicate fold lines, and solid lines indicate cut lines. The template is flanked by vertical bars on the left and right sides.

A diagram of a honeycomb lattice structure, consisting of a hexagonal grid of vertices and edges. The edges are represented by dashed lines, and the vertices are marked by small black dots. The lattice is shown as a portion of a larger, infinite structure, with lines extending from the outer edges.

MAP TOKEN

The image shows a template for a map token. It consists of two identical square pieces with rounded corners, each with a dashed border and four corner tabs. The pieces are arranged vertically, with the top piece slightly offset to the left. The bottom piece has a small icon of a pencil and a pair of scissors in the bottom right corner, indicating where to cut.

1.  Cortar con cuidado con cuchilla o tijeras, siguiendo las guías marcadas
2.  Dobra en las líneas de puntos, asegurandote que las áreas grises queden ocultas
3.  Opcionalmente, arreglalo con pegamento
