☐ Drone   ☐ Exocortex

CONTROL NET

Nivel **17**   Drone Levels [ ]   [ ] Exocortex Levels

CUSTOM RIG

☐ Armour upgrade   ☐ Cybernetic implant   ☐ Hand-held device

With your customised toolkit, you have the equipment for any Computers or Engineering skill check.

Use your rig as a Mk I comm unit.

REMOTE HACK

Nivel **5**   **RANGE** [ ] = 10ft × [Mechanic Level ÷ 2] – 10ft

ROUND UP

EXPERT RIG

Nivel **7**
Your custom rig now functions as a computer.

When hacking, disable one countermeasure (except firewall).

Your custom rig counts as any special kit up to Level 6.

ADVANCED RIG

Nivel **13**
Your custom rig's computer gains a bonus firewall module.

Use your custom rig to communicate with your ship's sensors, security systems and engines up to 50 miles away.

SUPERIOR RIG

Nivel **19**
Your custom rig's computer gains wipe and lockout modules.

You can use your custom rig while it's locked out.

OVERLOAD

Nivel **3**
As a standard action, disable an electronic device for 1 round.

You or your drone must be adjacent to the target.

If used on an item in somebody's possession, they can attempt a reflex save to evade.

Affects energy weapons, powered weapons and armour.

Does not affect androids, robots, drones, cybernetics, powered armour, technological creatures or items larger than Medium size.

OVERRIDE

Nivel **9**
Affects androids, drones, robots and technological creatures.

Targets may attempt a will save. If they fail by 10, you can dictate their actions for 1 round; otherwise they are dazed for 1 round.

GHOST IN THE MACHINE

Nivel **19**
If a target of Override which fail their will save, you can dictate their actions for 1 round.

To use again on the same target within 24 hours: **1 rp**

MIRACLE WORKER

Nivel	Usos al día		
7	1	**+2**	**ARMADURA** Bonus to AC for 1 minute.
11	2	**+2**	**ARMA** Attack and damage for 1 minute.
15	3	**pg**	**SHIP** Hit points equal to the ship's base frame HP increment. If it crosses an increment, repair one system one step.
19	4		

Uses today ☐☐ ☐☐

TECH MASTER

Nivel **20**
To craft a weapon, armour or item in one minute: **1 rp**

To convert a weapon or amour into a different type up to the same value in one minute: **1 rp**

MECHANIC TRICK

SAVING THROW   CD = 10 + [Mechanic Level ÷ 2] + INT

OPPOSED SKILL   CD = 10 + [Mechanic Level × 1½] + INT

This saving throw DC is also used for Overload, Override and attempts to identify the source of Remote Hack.
